IN RE: MIDAMERICAN ENERGY COMPANY	DOCKET NO. RPU-94-3
--	---------------------

ORDER REGARDING REPORT

(Issued April 30, 1999)

On May 19, 1999, the Utilities Board (Board) issued its “Final Decision and Order” in this proceeding, and on June 30, 1995, the Board issued an “Order Granting Rehearing in Part and Denying Rehearing in Part.” In those orders, the Board approved MidAmerican Energy Company’s (MidAmerican) Incentive Gas Supply Procurement Plan (IGSPP) for a three-year period. The Board directed MidAmerican to file reports of the results of the plan on a semiannual basis. The three-year period was completed on October 31, 1998. On January 12, 1999, MidAmerican filed a request to continue the IGSPP. That request is currently before the Board.

On February 26, 1999, MidAmerican filed the results of the sixth IGSPP period. The report covers gas procurement costs from May 1998 through October 1998. MidAmerican divided gas procurement costs into four categories: reservation costs, supply costs, storage costs, and transportation costs.

The Board has reviewed MidAmerican's sixth report. MidAmerican will be required to file a purchased gas adjustment filing reflecting the reward calculations contained in the February 26, 1999, report.

IT IS THEREFORE ORDERED:

1. MidAmerican Energy Company shall file a purchased gas adjustment reflecting the calculations contained in the February 26, 1999, report.
2. The purchased gas adjustment shall become effective upon approval by the Board.
